Master Caterers For All Occasions

E W E

Drinks & Canapés

We offer a number of drinks services. From champagne receptions, to wine waiting at meals, to everything in between. Below are just some of the services we can offer for your event. Why not call us for a chat about how we can help with your event.

Full Bar Service

We are one of the few caterers in the South West to be able to offer a full bar service for your event. We serve wines, bottled lagers, cider, alcopops, and soft drinks. For larger parties, we can even bring along a couple kegs of real ale! This option is very popular for those not wanting to foot a large alcohol bill. In fact the only charge to you is for us to make all the necessary legal arrangements for the sale of alcohol at your venue, and hire of the equipment. This is usually no more than **£150**.

Waiting Only Service

Quite understandably, some clients wish to arrange the alcohol and glassware themselves. In this instance we can provide serving staff for your drinks at a cost of **£10.00** per hour per staff member. We can even take delivery of your alcohol on your behalf, and chill it to the right temperature before your event.

Drinks Packages

As we buy our alcohol in bulk from national breweries, we may well be able to save you money on your alcohol bill. We can take care of everything from ordering to receiving delivery, to chilling your drinks to the right temperature. We can even get you a good deal on the glass hire! Call us to discuss what we can do for your event.

Champagne Receptions

A couple of glasses of champagne on arrival can make a fabulous start to your event. We can take care of everything from glass hire, to staffing, even matching the champagne or sparkling wine to your budget. Our waiting staff will serve champagne to your guests on silver trays as they arrive. Prices vary depending on number of guests, and the type of champagne and glassware but start from as little as **£2.50 per head**.

Canapés

Why not compliment your champagne reception with a selection of canapés? We serve a selection of delicious hot and cold canapés. For larger functions, prices start from just **£5 per head**. Call us for more information.
